Many are unable to understand the sacredness of the selfless love and devotion of the *Gopikas* and misinterpret all their actions attributing them wrong meanings. *Gopikas* had noble thoughts; their love and devotion to Lord Krishna was absolutely selfless. It is for this reason that even after so many centuries they remain fresh in the minds of millions in India. The *Bhagavata* preaches the sacredness of devotion to Lord Krishna. There is no hatred, jealousy, or anger in divine love; that is why it can give happiness to the entire world. We should accept selfless love as an essential type of devotion and promote it in our country. It must be an ideal so far as our relationship with God is concerned. Discard any unsacred thoughts or selfishness from your hearts, from this very moment, and cultivate selfless divine love and purify your heart.
